

WELCOME TO THE

Main Oregon Trail Back Country Byway

Travel the route of thousands of pioneers as they crossed the Snake River and dusty sagebrush plains of southern Idaho, walk in the ruts created by wagons and weary oxen, and visit the historic sites from the pages of emigrant diaries.

Guidebooks are available at BLM offices in Boise and local merchants in Glenns Ferry and Mountain Home. For more information, contact the BLM or Idaho Chapter of the Oregon-California Trails Association at www.IdahoOCTA.org
